

TIP OF TEXAS VOLLEYBALL OFFICIALS ASSOCIATION
GAME ASSIGNMENT POLICY

Scope:

This policy of the Tip of Texas Volleyball Officials Association (the Association) covers all game assignments in the Association's geographic area. It includes assignments for all scrimmages, sub-varsity, varsity, non-district, district and tournament matches. This policy applies to all members of the Association and is available for their review.

Authority:

The Association is required by TASO to have an Assignment Policy in place. The Association's Executive Committee and the TASO District Director have approved this policy. Where any conflict exists between TASO and the Association, then TASO takes precedence.

Responsibility:

The Assigning Secretary will follow this policy in the assigning of games covered under the scope of this policy shown above. The Assigning Secretary of the Association is responsible for the assigning of all scrimmages, sub-varsity, varsity, non-district, district and tournament matches. The Assigning Secretary is allowed to delegate assigning duties to other individuals when he feels it is in the Association's best interest to do so. When an individual is given an assignment duty, they are responsible to act in accordance with this policy. When an individual is given an assignment duty, they may not transfer that duty to anyone else without the permission of the Assigning Secretary.

Mistakes In Scheduling Games

The Association is not responsible financially for mistakes in scheduling. Every effort will be made to make sure that officials are sent to the right locations at the right time, however, in the event an official shows up and there are no games scheduled, the Association is not responsible. If this occurs, the member may appeal to the Executive Committee, in writing, to be reimbursed for mileage and/or game fees. These requests will be considered on a case-by-case basis.
